MEMORANDUM FOR: Mr. Wolf

25X1A 1. At your request, I have discussed the two attached proposals with [redacted] His recommendation on the allowance subject is carried in his note on the file dated 27 August. The per diem problem is related to the allowance problem only in that both are cash payments to individuals. They are otherwise independent in their effect. As to the problem of the temporary lodging allowance in [redacted] says in his note that the present allowances proposals are not responsive and cannot be in that the temporary lodging allowance in [redacted] depends upon an Executive Order and [redacted] action, and the allowance papers under discussion here have to do with internal Agency procedures. Per diem payments are, as you know, involved in travel and temporary duty and again are not inclusive of temporary lodging allowances.
